MARCH

**Tuesday, March 14, 2006**

## **Energy Analysis, Option or Necessity?**

**Mr. Julian deBullet** ASHRAE Distinguished Lecturer will discuss Energy Analysis, Option or Necessity. He will review several aspects of building design to see how changes affect both the capital cost and especially the operating cost of the building. These include light design, diversity, HVAC system selection and design parameters to name a few.

*at:*

**City View  
Johnstown, PA**

Dinner will be buffet Style with the following menu: Stuffed Chicken Breast, Double Baked Potatoes, Green Beans, House Salad, Pasta Salad, and Assorted Pies (Includes Bread, Coffee, and Tea)

5:00 – 6:00 PM Social Hour

6:00 – 6:45 PM Dinner

7:00 PM Main Presentation

Buffet Cost - \$20.00 (Students \$10.00)

**RSVP b y 4:00PM: Thursday, March 9, 2006**

To: Chris Albright – Tel: (814) 467-6877 –email: [chrisgalbright@yahoo.com](mailto:chrisgalbright@yahoo.com)

## President's Corner – John Weiland

I would like to thank Tom Hovan and PSPE for organizing the joint meeting this past month. The meeting was well attended and the speaker was very entertaining. At the meeting the Johnstown chapter gave \$500 scholarships to Triangle Tech students Jim Lowry and Anthony Lupchinsky. Both send their thanks for the scholarships.

This month we are very excited to be hosting ASHRAE distinguished lecturer Julian deBullecott. His topic will be "Energy Analysis, Option or Necessity?" With increased energy costs and more and more LEED buildings, a requirement to complete an energy analysis during design is becoming more frequent. I hope you can make it to the meeting to hear what Julian has to offer on the topic.

**The ASHRAE golf outing will be July 20th, so make sure you mark your calendar!**

See you at the meetings!

Pictured below are the two Triangle Tech students who received the Chapter Scholarships in the amount of \$500.00 each from our chapter. Mr. Jim Lowry and Mr. Anthony Lupchinsky both send their thanks for the scholarships.

The Chapter Technology Transfer Committee would like to assemble an ASHRAE Reference Library for our local Chapter. This library would include ASHRAE Handbooks, new & old Standards, etc. If you have material such as these or any other and would like to donate to this library, please contact Christopher Albright to discuss.

We will be working on this project for the next several months.

Also, on April 19, 2006, ASHRAE will be holding a satellite broadcast on Sustainability and the Building Environment. We will be hosting this broadcast in the Campus Room of UPJ's Living and Learning Center. Find more information at the link provided below as well as newsletters to follow. Please contact Chris Albright at [chrisgalbright@yahoo.com](mailto:chrisgalbright@yahoo.com)
